Meeting Details:
1. Opening of the General Assembly
At 20:30 on October 1, 2026, the World Slingshot Association (WSA) held a plenary session in Las Mesas, Spain. The current chairman delivered a speech, initiating the agenda of the general assembly, and began to review various agenda items.
2. Chairman's Report and Term Summary
The chairman reported to the members present on the summary of his work during the term and reviewed the main activities carried out by WSA in the past year and the development of the association during this period. He particularly highlighted the achievements made in strengthening the influence of WSA at the international level, promoting sports activities, and enhancing cooperation among representatives and members of various countries.
In addition, the chairman presented the financial situation of the association. He showed the balance of WSA's bank account and financial status to the members present. As of the convening of this general assembly, the total amount was: 4,077.32 Swiss francs (four thousand and seventy-seven point thirty-two Swiss francs).
The general assembly approved the report submitted by the chairman and the stated economic and financial situation.
3. Admission of New Members
The matter of admitting more national representatives as new members was discussed.
Proposals to admit the following countries' representatives were made:
India (new representative added), Brazil (new representative added), Argentina, Uruguay.
After discussion, the general assembly conducted a vote and unanimously approved. These new members were officially accepted as members of the World Slingshot Association (WSA).
4. Disciplinary Procedure for Lolakmar Jadav

WSA Secretariat email address: wsaslingshot@foxmail.com

The general assembly reviewed the position of Indian member Lolakmar Jadav in the previously initiated disciplinary procedure. The meeting had extensive discussions, focusing on reviewing the words and actions of this member that were accused and the activities and measures he was accused of, especially those that were considered contrary to the obligations assumed by joining WSA. During the discussion, the general assembly pointed out that Lolakmar Jadav's behavior damaged the interests of the association and engaged in activities and measures that violated the WSA's charter and related principles. After thorough discussion, the general assembly voted on the proposal to expel Lolakmar Jadav from the World Slingshot Association. Finally, the general assembly unanimously passed the resolution to expel Lolakmar Jadav from the World Slingshot Association. Therefore, the general assembly decided to terminate his status as a WSA member, as he did not comply with the provisions of the charter and his behavior was considered contrary to the interests and Purpose of the association.

5. Election of Chairman - 2026-2030 Term

Discussion on the leadership transition of the World Slingshot Association (WSA)， especially the appointment of the new chairperson for the term 2026-2030.

After extensive discussion， the following candidates for chairman were nominated：

Marco Brunetti (Marco Brunetti) will serve as the chairman of the World Slingshot Association for the term 2026-2030. The general assembly immediately conducted a vote. Marco Brunetti was elected unanimously as the chairman of the World Slingshot Association for the term 2026-2030. The conference expressed recognition for his work and expressed good wishes for the new term and the future international development of WSA.

6. Election of the Secretary-General

The official nomination of the candidate for the position of Secretary-General of the World Slingshot Association (WSA) was made.

Candidate: Wei Gao

Was nominated as the Secretary-General of the World Slingshot Association.

After the voting by the conference, Wei Gao was elected unanimously for the position of Secretary-General of the World Slingshot Association for the term 2026-2030.

7. Appointment of the Vice-Chairman

Subsequently, the conference discussed the issue of appointing the vice-chairman.

After discussion, it was decided to postpone the appointment of the vice-chairman until a separate election, and the specific election procedures would be determined s

8. Subsequently, the conference discussed the proposal to expand the organizational structure of the World Slingshot Association, namely to open registration to slingshot clubs from all over the world. The conference explored the possibility of establishing an international club directory, aiming to create a global network coordinated by the World Slingshot Association. During the discussion, it was reaffirmed that each club must comply with the organizational structure of the local World Slingshot Association and coordinate with the representative of the local World Slingshot Association, who will continue to serve as the official liaison between the World Slingshot Association and the local slingshot sports.

The conference believed it necessary to formulate specific organizational and management rules for the clubs, including registration, representatives, coordination, and participation in the activities of the World Slingshot Association (WSA). Therefore, it was decided to further improve this matter in the coming months and submit it to the relevant institutions of the WSA for approval.

9. Proposal for the First World Club Championship - USA

During the discussion on the development of the club structure of various countries, the participants proposed to assess the possibility of holding the first World Club Championship in the United States. The conference considered this proposal worthy of further exploration and decided to discuss it with the American members and representatives in the coming months to verify: • The feasibility of event organization; • Possible venues; • Participation methods; • Competition rules; • Competition cycle; • Economic and logistical issues. Therefore, the proposal is still under evaluation, and the final decision on whether to hold the event will be postponed until a separate resolution.

10. Organization of the 2027 European Championship

Belgian Luk Deisen spoke and introduced the organization plan for the next European Championship. He emphasized the necessity of maintaining rotation among the countries hosting European events. Luk Deisen is responsible for maintaining and updating the list of countries that have hosted or are responsible for hosting European Championships according to the rotation schedule. The review of the rotation schedule showed that according to the planned rotation schedule, it should have been the turn of the Czech Republic. Given that the Czech Republic is unable to host the event, the meeting proposed that Italy should bid for the 2027 European Championship.

Therefore, this topic will focus on Italy organizing the 2027 European Cup, and the specific method will be determined and formally formulated subsequently.

11. Indian Proposal - 2027 International Event

The Indian delegation expressed their intention to hold an international championship in 2027. The conference noted this proposal. The proposal emphasized that the date of the international event held by India needs to be coordinated with the date of the 2027 European Championship to avoid conflicts with the World Slingshot Association (WSA) international schedule and ensure as many athletes as possible to participate. Therefore, this proposal will continue to be evaluated.

12. Brazilian Proposal - 2028 World Cup

The Brazilian delegation expressed their willingness to consider holding the World Slingshot Association (WSA) World Cup in 2028. The conference recognized this proposal and included it in the possibility of future hosting. However, the final assessment of whether the United States could host the first club World Championship and the subsequent planning of the WSA international schedule is closely related. Therefore, the possibility of holding the World Championship in Brazil in 2028 will be temporarily postponed and will depend on the subsequent assessment.

13. Conference Closure

Given that there are no other matters to discuss, the chairperson announced the conclusion of the conference. The World Slingshot Association (WSA) plenary session concluded at 11:00 PM on October 1, 2026.

On behalf of the Chairman of the World Slingshot Association:
